EXECUTIVE OFFICER

Dear Supervisors:

**AWARD OF CONTRACT FOR AS-NEEDED SLOPE MOWING SERVICES
WITHIN THE UNINCORPORATED AREAS OF LOS ANGELES COUNTY
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

This action is to award a contract for As-Needed Slope Mowing Services at various Public Works facilities within the unincorporated areas of Los Angeles County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for As-Needed Slope Mowing Services in an annual sum of \$1 million to Powerland Equipment, Inc. This contract will be for a term of one year commencing on May 6, 2011, or upon Board approval, whichever occurs last, with four 1-year renewal options, for a maximum potential term of five years and a potential maximum contract sum of \$5 million.
3. Authorize the Director of Public Works or her designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required, and to adjust the annual contract sum for each option year over the term of the contract to allow for an annual cost-of-living adjustment in accordance with County policy and the terms of the contract.
4. Authorize the Director of Public Works or her designee to execute the contract; to renew the

contract for each additional renewal option if, in the opinion of the Director of Public Works or her designee, Powerland Equipment, Inc., has successfully performed during the previous contract period and the services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or her designee, it is in the best interest of the County of Los Angeles to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide as-needed and intermittent slope mowing services within the unincorporated areas of Los Angeles County. The Department of Public Works (Public Works) has contracted for mowing and trimming of vegetation, grass, brush, and trees at various Public Works facilities since 1985. The contract is currently contracted with Powerland Equipment, Inc., and it is scheduled to expire on May 5, 2011.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The contractor who has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The contract is for an annual amount of \$1 million plus 10 percent for unforeseen, additional work within the scope of the contract and cost-of-living adjustments in accordance with County policy and the terms of the contract. This amount is based on the hourly rates quoted by the contractor and Public Works' estimated annual utilization of the contractor's services.

Funding for these services is included in Fiscal Year 2010-11 Road Fund and Flood Fund Budgets. When the need arises for services under this contract, financing the required services will be from the appropriate fund source. Total annual expenditures for these services, however, will not exceed the contract amount approved by your Board, and no services will be ordered without the funding authorization of Public Works Financial Management Branch. Funds to finance the contract's optional years, 10 percent additional funding for contingencies and cost-of-living adjustments will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is Powerland Equipment, Inc., located in Valley Center, California. This contract will commence on May 6, 2011, or upon Board approval, whichever occurs last, for a period of one year. With your Board's delegated authority, the Director of Public Works (Director) or her designee may renew the contract for four 1-year renewal options for a maximum potential contract period of five years.

The contract will be in the form previously reviewed and approved by County Counsel (Enclosure A). Prior to the Director executing this contract, the contractor will sign and County Counsel will review it as to form. The recommended contract with Powerland Equipment, Inc., was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the requirements of the Chief Executive Officer and your Board.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The contract contains terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Data regarding the proposer's minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

Pursuant to the applicable memorandum of understanding, the Request for Proposals (RFP) for these contracted services was submitted on November 16, 2010, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code, Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code, Chapter 2.121).

The contract includes a cost-of-living adjustment provision, which is in accordance with your Board's Policy approved January 29, 2002.

ENVIRONMENTAL DOCUMENTATION

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects that has been determined not to have a significant effect on the environment in that they meet the criteria set forth in Section 15301(h) of CEQA.

CONTRACTING PROCESS

On November 18, 2010, Public Works solicited proposals from 417 independent contractors and community business enterprises to accomplish this work. Also, a notice of the RFP was placed on the County's bid website (Enclosure B), and an advertisement was placed in the Los Angeles Times.

On December 16, 2010, two proposals were received. The proposals were first reviewed to ensure they met the minimum requirements in the RFP. One of the proposals was disqualified for not meeting the minimum mandatory requirements of the RFP. The remaining proposal, having met these requirements, was then evaluated by an evaluation committee consisting of Public Works staff. The evaluation was based on criteria described in the RFP, which included the price, experience, work plan, references, utilizing the informed averaging methodology for applicable criteria.

Based on this evaluation, it is recommended that this contract be awarded to the responsive and responsible proposer, Powerland Equipment, Inc. Public Works has determined that the contractor's prices are reasonable for the work requested.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees as these services are presently contracted with the private sector.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Administrative Services Division.

Respectfully submitted,

GAIL FARBER
Director
